BRUNO BELLO

BUSINESS IMPROVEMENT SPECIALIST

Bruno has a proven local and global track record of transforming businesses towards growth, strategic direction and profitability. His leadership extends from MD and GM roles for local companies to leading major international business divisions overseas. Most of his roles were about achieving a step change in businesses in financial distress or at a crossroads regarding their strategic direction and growth potential.

In recent times, Bruno has enabled over 300 businesses to identify and prioritise opportunities across the entire business that improve outcomes and the organisation's value. He mentors business leaders on how best to implement projects, upskill staff and embed a culture of continuous improvement.
